

RULES 2020-2021

ABOUT THE AWARD

- The entire contest will take place at the official 'Design&Color Awards Head'.
- All heads are the same shape and have blond hair (except in the MEN'S and editorial category).
- Essentially, that means you start creating on a blank sheet.
- Take a single photo of your creation with your smartphone once you're done.
- To do that, select a completely white background and don't add jewellery, make-up, or clothing to the mannequin head (the Editorial/ Updo Award does allow this).
- Make sure to include white, negative space around the mannequin head (minimum 1.5 cm).
- You're now all set to upload the photo to the official Awards page www.designandcolorawards.com.
- Key reminder: when submitting the photo, you must state the colour formula and paint brand used.

WHO IS ELIGIBLE TO PARTICIPATE?

Only participants whose names are listed on the entry form may compete for the award. You can submit as many entries as you like for each category. However, only one entry by each participant per category will be selected.

Each template mannequin head may only be submitted once as an entry.

Do you have a salon and employees? Why not register your team (at least three people) and take a shot at taking the salon award home?
